Your use of the Digicel + service(s) will be governed by the terms of this agreement. Please take a few minutes to carefully read through the terms and conditions set out below for the products and service(s) you have ordered from Digicel.

First, here are some key points you should note:

1. AGREEMENT

- 1.1 The agreement between both parties is legally binding, and is governed by the laws of Curacao.
- 1.2 Your subscription for your chosen **service(s)** has a minimum period, which starts on the date your **service(s)** are installed and successfully activated. The length of the **minimum period** is 12 months, which you agreed to when you ordered your Digicel + Products and Service(s). After the **minimum period**, this **agreement** will continue until either you or we end it in accordance with the terms set out in this **agreement**.
- 1.3 You must keep the Digicel + Service for the duration of the **minimum period**, unless you or we are allowed to end this **agreement** earlier, under the terms and conditions outlined in this **agreement**.
- 1.4 If you cancel the **agreement** during the **minimum period**, Digicel + reserves the right to charge an early termination fee. We may charge this amount directly to any credit or debit card which you have provided us with, and by entering into this agreement, you are authorising us to do so. Alternatively, we will levy this charge onto your final bill with Digicel +. We will give you reasonable notice before making any charge.

1.5 Digicel + reserves the right to amend or change the **service(s)**, or these terms and conditions, subject to notifying you of such amendments.

2. OBTAINING THE SERVICES

2.1 We will make every effort to meet the date agreed with you for installation or activation of the **service(s)**, in the event that we have to change the installation date we will contact you, in advance, to notify you of any changes.

2.2 You agree that you or a person authorised by you (who is 18 or over) will be present when we install the **equipment** at your **home**. You further agree that anyone authorised to represent you may also be required to make decisions on your behalf about equipment, wiring, work required to complete your install, in your absence. We are entitled to assume that any person other than you who is present at installation is authorised to represent you.

2.3 Where we need to install **equipment** at your **home**, we will make every effort to fit the **equipment** where you prefer. However, this may not be possible because of technical or other reasons. If this is the case, we will connect the **equipment** as we see fit. Please do not move any **equipment**. Should you wish to alter the routing of any existing **equipment** such as cables or wall sockets, you must contact us.

2.4 To provide the **service(s)**, the **equipment** (e.g. a set-top box or modem) must be connected to equipment belonging to you (e.g. a television or computer). You are responsible for ensuring your equipment is working properly. You agree to provide and pay for suitable facilities and all necessary electrical and other installations and fittings (including power outlets or sockets) for the **equipment**. You must follow our instructions for this.

2.5 Where we need to set up any **service(s)** on your equipment we will guide you through this process on the day of installation, e.g. setting up Broadband on your computer or device.

2.6 Where you are unable to take part in the set-up of your service(s), but are with us at the install, you authorise us to have access to your equipment to perform such set-up (which may include the installation of software) and to check that those **service(s)** are working properly. You confirm that you will have prepared your equipment, and will follow our instructions to prepare your equipment, so that we can perform the set-up properly.

2.7 You are responsible for applying for any consents and permissions necessary for us to connect and maintain the **equipment** at your **home** (for example, any permission necessary to pull cable from the street to your address). We are not obliged to install or provide the **service(s)** unless all consents and permissions have been obtained. Further, we are entitled to assume that all necessary consents have been obtained unless we have been provided with something in writing stating otherwise.

2.8 Our obligation to provide the **service(s)** may also be subject to survey. If said survey shows that the **service(s)** require additional time and resources to be installed or connected at your **home**, or if a non-standard installation is required, we may delay any installation date to ensure we can complete the work correctly. We also reserve the right to charge an additional installation fee, which would have to be paid in full before the installation is completed. We will notify you as soon as possible of the delay and new date, charges (if applicable) and approach.

2.9 Where a survey deems that service will not be possible, we may cancel any installation date we have given you and terminate this **agreement**. You will be notified of this as soon as possible after the survey.

2.10 We do not have to connect the equipment at your home or otherwise keep to this agreement if:

- a. your home is outside our service area or in a part of our service area where no network has been installed;
- b. we are unable to activate the service(s) on your line or at your home for any reason;
- c. you do not have a legal electricity supply, provided by an authorised electricity supply company;
- d. you do not qualify under our current credit policy;
- e. you are not able to be a customer because you have previously misused our service(s);
- f. it is not practical to carry out the connection for health and safety reasons or for any other reason.

2.11 Where we cannot provide the **service(s)** for the reasons explained above we shall not be under any liability whatsoever to you for any failure to provide the **service(s)** in these circumstances but will refund you for any payments you have already made to Digicel + for installation or the **service(s)**.

3. ABOUT THE SERVICES

A. General

3.1 If you keep to the terms of this **agreement**, we will provide you with the **service(s)**.

3.2 As well as these terms and conditions, the service(s) have additional policies which apply to the service(s) and their use, as published by us on the Digicel + website. These may be updated from time to time so please check the Digicel + website regularly and read through it carefully. This other policy information includes our 'acceptable use policy' and 'traffic management policy' which you can read on the Digicel + website.

3.3 To make sure you are always getting the best possible service, we may monitor and record phone conversations you have with our teams when contacting Digicel + for support.

3.4 From time to time, we may let you try certain services for free. We also have the right to withdraw these trial services at any time and without giving you notice.

3.5 From time to time, we may supply you with services or component part(s) of a service for promotional purposes, whether for a charge or otherwise. We may at any time stop such supply or change the promotional service or component part(s).

3.6 Some parts of the service(s) (for example, television channels that form part of our television services and other content on, or accessible via, our television services) are supplied by other organisations. As a result, due to matters outside our reasonable control or for commercial or contractual reasons, we may change, cancel or postpone all or any component part(s) of the services without notice, however Digicel + will make every effort to give you reasonable notice of any withdrawals and changes where it is possible to do so.

- 3.7 You agree that you are liable for any charges on your account regardless of whether you or anybody else (with or without your permission) incurs those charges. For example, if someone who has access to your **home** uses the **service(s)**, they will be considered to be within your control and you will be liable for those charges. Under no circumstances should you give your PIN numbers and passwords to anybody else.
- 3.8 We reserve the right to monitor and report viewing habits, monitor and control data volume and/or types of traffic transmitted via the **service(s)**.

B. Digicel + TV

- 3.9 You may not use any reception equipment to receive the **television services** other than the equipment we have provided to you for the express purpose of receiving the **television services** (such as a set-top box).
- 3.10 A charge may apply for Video on Demand programmes, Personal Video Recording or other Premium Services and we have the right not to make these available to you if you do not meet credit conditions set by us or if you have failed to pay any charges you owe.
- 3.11 You may not cancel a Pay-Per-View or Video on Demand programme after you have bought it except in line with any cancellation information we may have given to you at the time of purchase.
- 3.12 It is your responsibility to make sure PIN numbers and passwords for Pay-Per-View, Video on Demand programmes, Personal Video Recording or other Premium Services are used correctly.
- 3.13 By taking the television services you acknowledge that the equipment we provide to you may be enabled to make recordings, on your behalf, of broadcasts of the types of programmes that match your preferences, for the purpose of enabling those broadcasts to be viewed at a more convenient time for you.

C. Digicel + Broadband

- 3.14 Due to the nature of the Internet, we cannot guarantee specific levels of performance for **Internet access**, up or down speeds, whether on or off island. We are also not responsible for third party web site performance, or the performance of your own devices or equipment.
- 3.15 We will make every reasonable effort to fulfil our Broadband Promise to you.

D. Digicel + Phone Services

- 3.17 If you take the Digicel + **Phone Service**, and wish to keep an existing phone number from another **telecommunications** provider, you may be asked to complete documentation in order for this to happen. Please note that we cannot cancel any agreement that you may have with your old **telecommunications** provider, for example, for renting equipment or for extra lines.
- 3.18 Although we are usually able to arrange for you to keep your existing phone number when you transfer your line to us, we cannot guarantee this.

- 3.19 A temporary number will be allocated during the period of transferring your existing phone number.
- 3.20 Should you not be able to transfer your existing phone number, we will allocate you a Digicel + telephone number.
- 3.21 The Digicel + telephone number and any rights to it belong to us and you may not sell or agree to transfer the number to any person.
- 3.22 If you request to move or port your allocated Digicel number to another provider, Digicel will adjust your services accordingly, and reserve the right to remove any discounts applied as part of a bundled services offering.
- 3.23 You agree that we may give your name, address and phone number to the emergency service(s). If you consent, we will also give these details to other regulated **telecommunications** providers. This is so your details can be included in phone books and be obtained from publicly available directory enquiry services.
- 3.24 We cannot accept any liability whatsoever for any failure by authorised public communications operators and regulated directory service providers to whom we provide information to comply with your listing request. We can tell you about other options that are available to protect and control how your information is used.

4. LOOKING AFTER YOUR SERVICES

11. ENDING THIS AGREEMENT

11.1 Either you or we may end this agreement at any time (including during or at the end of any minimum period) by giving the other 30 days' notice. You must pay any charges (including usage charges and line rental) up to the end of that 30-day notice period. You may also have to pay an early disconnection fee if your services end within the relevant minimum period as set out in paragraph 11.2 below.

11.2 If you end one or more service(s) during the minimum period for such services (other than in the circumstances outlined in section 12 or paragraph 11.3), or if you break this agreement and we end this agreement under section 13 (including for non-payment of charges) within the minimum period applicable to those services, you must immediately pay an early disconnection fee in respect of each cancelled. The early disconnection fee will normally be the charges you would have paid for your chosen service(s) for the remainder of the minimum period

11.3 We may end this agreement immediately by giving you notice:

- a. if our authority to operate as a telecommunications provider is suspended for any reason;
- b. if any of our existing license agreements are terminated or we are no longer able to carry the content licensed;
- c. if in our reasonable opinion it is necessary to do so for security, technical or operational reasons.

11.4 When this agreement ends or you cancel a service, we will deactivate (permanently switch off) any relevant equipment we supplied to you to provide the services. You will no longer be able to use the equipment.

11.5 If you fail to return or make available for removal any item of the equipment which we have hired to you, you may have to pay extra charges for such equipment, including the replacement cost and reasonable recovery costs. In addition to our other rights, we reserve the right to bring proceedings against you for the return of our equipment.

11.6 If this agreement is ended for any reason, or if any of the services are cancelled, we will be entitled to use any money held (including deposits and advance payments) to pay any obligation or debt you may owe under this agreement. We'll get in touch with you to refund to you any money remaining after these deductions, unless our costs to administer that refund outweigh the actual account balance. We reserve the right to donate your account balance to charity, whatever the amount, if we have not been able to contact you within six months of the date of termination of this agreement.

12. MOVING HOME

12.1 If you move to another address within our service area, you may ask us to provide the service(s) to your new address. You must provide at least one month's notice to do this, but we cannot guarantee to provide you with the service(s) at your new address.

12.2 If you move to another address during any minimum period paragraph 11.2 will apply, unless you continue to receive our service(s) at your new address (in which case paragraph 12.3 below will apply).

12.3 If we agree to provide the service(s) to your new address, you may have to pay a service transfer, installation and/or relocation cost where applicable. You may not be able to keep your phone number if you change your home address.

13.3 If we end this agreement because you have broken this agreement as set out in this section 13 (including where you have not paid the charges which you are liable
